Sensational and Charming Villa in Sotogrande

This villa is extremely sensational and has heaps of character. It is located in a wonderful area and has open views over the San Roque Golf Club. The street it sits on is extremely quiet and tranquil.

This property was built by its owner twenty years ago and every detail, from the quality to the functionality have been taken into consideration. The home has 6 bedrooms in total, 4 are main bedrooms, one is a basement bedroom and there is an additional slightly smaller one.

The special features of this house are:

- A TV room on the top floor
- A basement with a gym
- A relaxation room/ theatre in an underground cave in the corner of the garden
- A Japanese pond with fish

The villa has a very large and modern family kitchen that has direct access to a beautiful terrace with a barbecue area. There are very high ceilings throughout the house and especially high ceilings in the living room, together with a very impressive fireplace.

We highly recommend a visit!
